Dear Judge Booth:

Thanks very much for your letter of March 12th concerning the hearings of my Committee on Juvenile Delinquency. I am most appreciative of your taking the time to write to me and I was pleased to have your recommendations concerning methods of making progress in the field of prevention. I heartily agree with the two courses of action you recommend and also with your comment regarding the urgent need for action rather than discussion.

I hope that some good will come out of the results of these hearings and if you wish me to do so I'll be glad to furnish you with a transcript.

With kindest regards,

Sincerely,

John E. Fogarty
Member of Congress
